

# The Access Travelers Trophy 2002

## Full 2002 results

We have a total **eight TT's** of these four events will count, this will keep the contest achievable to those who cannot make it to them all.

Results are awarded on a **lowest points wins** basis.

Points are awarded as follows;

- **One point** for **1st place**, **two points** for **2nd place** etc.
- **Rtd** stands for retired and denotes Sailors who start the race but do not finish. These will be awarded **one point for each boat in the race**.
- **NCS** stands for sailed but did not cross the start line. These will be awarded **one point for each boat in the race plus 1 extra point**
- **DNS** stands for did not start and denotes Sailors who have started at least one race in the series but not sailed at this particular event. These will be awarded **one point for each boat in their category (i.e. 2.3 or 303 )in the series up to and including the Rutland event plus 1 extra point**. **Note:** DNS points will be calculated after the Rutland event as it is only then that we know the total number of boats that started up to then.
- Each Sailors **best four results count**. other results are discarded.
- In the event of two Sailors having the **same points** the Sailor with **most 1st places** will win. If after taking this into account a **draw still exists** then the sailor with the **lowest last discarded result will win**. This will be applied through all the discarded results. If after taking this into account a **draw still exists** then the Sailor who scored the **earliest first or subsequent highest place in the series will win**.
