

# The Access Travelers Trophy 2004

## Final Results

The Access Dinghy Association have planning another exciting series of races for all you Access Dinghy sailors who like to travel to other clubs in 2004.

In the Travellers Trophy (TT) we have a total of **nine events** of which **five will count**, this will keep the contest achievable to those who cannot make it to them all.

Once again the Carsington TT will, in addition to being a TT, race for the " Duke of Devonshire Trophy".

Results are awarded on a lowest points wins basis.

Points are awarded as follows;

- One point for 1st place, two points for 2nd place etc.
- Rtd stands for retired and denotes Sailors who start the race but do not finish. These will be awarded one point for each boat in the race.
- NCS stands for sailed but did not cross the start line. These will be awarded one point for each boat in the race plus 1 extra point
- DNS stands for did not start and denotes Sailors who have started at least one race in the series but not sailed at this particular event. These will be awarded one point for each boat in their category (i.e. 2.3 or 303 )in the series up to and including the Tideway event plus 1 extra point. **Note: DNS points will be calculated after the Tideway event as it is only then that we know the total number of boats that started up to then.**
- Each Sailors best five results count. other results are discarded.
- In the event of two Sailors having the same points the Sailor with most 1st places will win. If after taking this into account a draw still exists then the sailor with the lowest last discarded result will win. This will be applied through all the discarded results. If after taking this into account a draw still exists then the Sailor who scored the latest first or subsequent highest place in the series will win.
- **Note. The method for calculating points for the Team Trophy and the rules for forming a Team is laid out on this page below.**

## Access Travellers Trophy 2004

## Ben Ainsley Team Trophy

## Results below

For results to qualify for inclusion towards the team trophy the Helm must have sailed at least five events in the series.

### The formula for calculating points for the team trophy award

This year there is a change in the method of calculating the points in the Team Trophy. In order to make the team's contribution more representative of their overall ability and effort we will be taking into account their average performance by totaling each sailors total points in their best 5 races in the series and dividing this by the total number of boats in their class. we will use this figure to calculate the team event results. The team with the lowest total points for their three qualifying sailors ( i.e. those who have completed at least 5 races in the series) will win. The formular will be:

The total points for the sailor in their five qualifying races. **divided by** the total number of boats in their class in the series (up to and including the Tideway event) **multiplied by 10**.

### The make up of a Team

The team will be a clubs best three qualifying sailors/boats in the overall series.

Or

if your club does not have three qualifying sailors we are this year allowing sailors from different clubs to form a team together in order to take part in the Team Trophy until such time as you can gather sufficient numbers in your own club. You can negotiate amongst themselves as to how you combine, providing that

1. the combination lasts the whole year and that
2. you declare the combination before the forth race of this season (this time has been set for this year only because of the late time in announcing it to competitors.) and that
3. there be a maximum of two clubs that could combine.

A team therefore is made up of each Clubs or declared teams best three sailors/boats overall series results, calculated according to the Team method laid out above, across the following categories: **Access 2.3**, **Access 2.3 servo assisted**, **Access 303 wide** , **Access 303 single**.

### Tie Break

In the event of two clubs having the same number of points the club with the best fourth members result will win. This will be applied through all the clubs qualifying sailors and results until the tie is broken. If after this a tie still exists the club with the most first places will win. This will be applied through all the clubs qualifying sailors and results until the tie is broken. If after all this has been applied a tie still exists the above tie breaking rules will be applied to the results of the Clubs non-qualifying sailors until the tie is broken.

For results to qualify for inclusion towards the team trophy the Helm must have sailed at least five events in the series.
